Baldomero Gonzalez, BA, CADC I, Program Manager, Fred Brown Recovery Services, Inc.

Irene Lim, LCSW, Program Manager, Substance Use Prevention & Treatment Program, Division of Adolescent & Young Adult Medicine Children's Hospital Los Angeles

Claudia Murillo, MLS, CADCII, SAP, Chief Operating and Compliance Officer, House of Hope

Denise Shook, LCSW, Divisional Director, Division of Adolescent & Young Adult Medicine Children's Hospital Los Angeles

Description:

Given the current public health emergency, substance use disorder (SUD) treatment and recovery support providers have used viable alternatives to in-person service delivery. The use of technology through a web-based videoconferencing platform in a synchronous manner (often called telehealth or telemental health) offers one solution. Current research confirms high levels of patient satisfaction with behavioral health services delivered via videoconferencing, along with positive treatment outcomes. Most importantly, the skills and knowledge required for delivering treatment and recovery services through videoconferencing are different than those used for conducting business meetings online. Guidelines, resources, and training exist to help practitioners navigate using videoconferencing platforms to deliver treatment and recovery support services. A review of the research of videoconferencing and its efficacy will be presented along with access/links to resources and training opportunities to encourage skill development and adherence to privacy/ security and confidentiality issues. The Lecture Series will conclude with a panel discussion. This portion of the presentation will feature Los Angeles providers who will share lessons learned.

Objectives: At the end of this presentation, participants will be able to:

1) Identify three (3) ways in which telehealth technologies expand access and enhance Substance Use Disorder (SUD) treatment services.
2) Examine two (2) benefits of utilizing telehealth technologies to engage, assess, and support individuals who may require substance use disorder interventions.
3) Describe two (2) unique challenges of providing Substance Use Disorder (SUD) services via telehealth in comparison to conventional face-to-face treatment delivery.
4) Explore the cultural and linguistic barriers of access to and engagement with telehealth technologies.

Continuing Education:

The training course meets the qualifications for the provision of three (3.0) continuing education credits/ contact hours (CEs/CEHs). UCLA ISAP is approved by the California Association of Marriage and Family Therapists to sponsor continuing education for LMFTs, LCSWs, LPCCs, and/or LEPs (Provider #64812). UCLA ISAP maintains responsibility for this program/course and its content. Course meets the qualifications for three (3.0) hours of continuing education credit for LMFTs, LCSWs, LPCCS, and LEPs as required by the California Board of Behavioral Sciences. UCLA ISAP is also an approved provider of continuing education for RADTs I/II, CADCs-CASs, CADCs I/II, CADCs-CSs, and LAADCs (CCAPP, #2N-00-445-1121), CATCs (ACCBC/CAADE, #CP40 872 C 0822), and CAODCs (CADTP, #151). CE credit will be awarded six-eight weeks after the virtual training. Partial credit will not be available for those participants who arrive late or leave early.

The Los Angeles County Department of Public Health is accredited by the California Medical Association (CMA) to provide continuing medical education for physicians.

The Los Angeles County Department of Public Health designates this enduring activity for a maximum of 3.00 AMA *PRA Category 1 Credit(s)™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Instructions for Filing a Grievance Concerning UCLA ISAP's Continuing Education Program: Please contact Dr. Thomas E. Freese, CE Program Administrator, in writing (UCLA ISAP, 11075 Santa Monica Boulevard, Suite 200, Los Angeles, CA 90025) or by phone (310- 267- 5397).

Please contact Brandy Oeser at 310-267-5331 or via email at boeser@mednet.ucla.edu if you have questions, concerns, special needs, or require additional information before registering for this training.

If you need a disability-related reasonable accommodation/alternative format for this event, please contact Brandy Oeser at (310) 267-5331 or via email at boeser@mednet.ucla.edu .

Refund/Cancellation Policy: Notice of cancellation must be made at least 72 hours in advance of the training by emailing Brandy Oeser at boeser@mednet.ucla.edu. You can also cancel directly via zoom.

Pre-registration is required and enrollment is limited to 300 people. Registration will be accepted on a first come, first served basis. You will be notified if space has been reserved for you upon receipt of your online registration.
