- The navigation bar at the top shows four key areas: About NIATx, Process Improvement, Networking, and Data & Measurement.
- The NIATx homepage has highlighted stories, resources, and case studies that feature the work of member agencies.
- At the bottom of the homepage is a calendar of upcoming events.
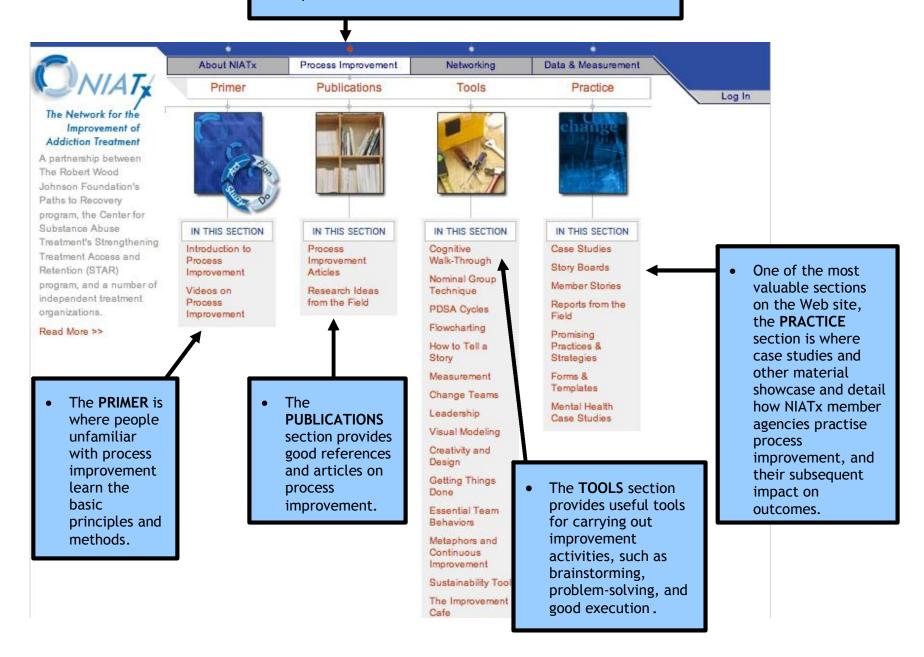

- The **ABOUT NIATx** section provides background information on NIATx, process improvement, and our most important resource: people.

**ONIATx**

**The Network for the Improvement of Addiction Treatment**

A partnership between The Robert Wood Johnson Foundation's Paths to Recovery program, the Center for Substance Abuse Treatment's Strengthening Treatment Access and Retention (STAR) program, and a number of independent treatment organizations.

- The **PRIMER** is where people unfamiliar with process improvement learn the basic principles and methods.

- The **PUBLICATIONS** section provides good references and articles on process improvement.

- The **TOOLS** section provides useful tools for carrying out improvement activities, such as brainstorming, problem-solving, and good execution.

- One of the most valuable sections on the Web site, the **PRACTICE** section is where case studies and other material showcase and detail how NIATx member agencies practise process improvement, and their subsequent impact on outcomes.
